GAS RANGE 24"/610mm

TR-4, TR-G24

The Thor 24"/610mm space saving oven range is a solution for smaller operations and kitchens with space restrictions. Built to the same quality and build standard, the smaller foot print of the 24" series still offers flexibility, performance, style and value for money. Thor equipment has been designed with safety, ease of operation and performance as paramount. Thor has a stylish and robust modular design, constructed of high quality brushed stainless steel, large "cool to touch" dials, large heavy duty adjustable feet and easy to clean and remove accessories.

The 24"/610mm gas range is available with griddle and cooktop combination options, and single size 490X414X354mm oven.
