

thor

Knife Steriliser

With sanitation at the forefront of food establishments, the Thor Knife Steriliser offers a safe and effective way of ensuring knife and utensils are thoroughly sanitised during and after use. The unit has a stainless steel cabinet that contains special UV light which can kill 99.9% of harmful bacteria such as E-Coli, Salmonella and Listeria. It is constructed with tinted transparent doors, angled top, safety switch and can be locked to ensure knives are safely stored.

Product Features

- Stainless steel construction
- UV light
- Timer control
- Removable knife rack holder
- Wall mountable
- Lockable door
- Door mounted safety switch
